Schaefer Yachts is an industry leader in the design and construction of performance yachts between 37 and 83 feet. Boasting one of the biggest and most technologically advanced shipyards in South America, Schaefer Yachts has been transforming the marine industry for over 32 years. Almost four thousand boats have been delivered worldwide. The shipyard has earned an exceptional reputation for setting high quality manufacturing standards with our proprietary and highly advanced production process. The shipyard's cutting-edge technology and eagle eye for details guarantee a vast range of vessels made with extreme precision. Schaefer Yachts is proud to be a shipyard that attends to the most demanding markets in the world.

SCHAEFER 600

Introducing the new Schaefer 600. A unique, sophisticated yacht, equipped with the best in the nautical industry, featuring three en suite staterooms and a large salon with galley integrated with the stern area. One of the key highlights of the new Schaefer 600 are its two large balconies, that further enhance the cockpit area. Design, sophistication and performance to take you to unique experiences in your life.
